ROSCOMMON COUNTY ROAD COMMISSION
SPECIFICATIONS
FOR
SPECIAL HARDENED GRADER BLADES

The Roscommon County Road Commission is accepting sealed bids for their seasonal supply of grader blades quantity (800). These blades need to be a curved single bevel, and Through-Hardened. Bidders must supply specifications and literature with each blade bid. The delivery of the blades to be sometime before the end of October 2011.

Blade Dimensions: Minimum specification: $\frac{3}{4}$ " X 8" X 6' (Quantity 750)
Minimum specification: $\frac{3}{4}$ " X 8" X 7' (Quantity 50)

Blade Length: Length shall not be exceeded and must not be shorter than 1/8" specified in order to fit to moldboard length in various combinations. Ends shall be cleanly cut.

Blade Punching: All blades shall be furnished with appropriate bolt holes punched or drilled as required per SAE specification No. J740.

Blade Marking: Each blade shall have a legible identifying mark indicating a special hardened type blade.

Camber Tolerance: The actual (edge straightness) shall be measured at the mid-point from a straight line extending from one end of the edge to the other. Maximum camber shall not exceed 1/8" for all lengths 0 feet through 7 feet.

Warranty: This blade is to be unconditionally guaranteed against breakage under normal operating conditions. Warranty does not include hardware or labor for removal and installation

The Roscommon County Road Commission reserve the right to reject any or all bids, to waive irregularities in any bid, to waive details in the specifications, and to accept the bid deemed to be in the best interest of Roscommon County. *Bids may be extended for an additional year with mutual agreement.*

Submit bids in a sealed envelope that is clearly marked with the words "**GRADER BLADES**" in the lower left corner.
