

ROSCOMMON COUNTY ROAD COMMISSION
 BIDDERS LIST & TABULATIONS
 SELF-PROPELLED ROAD SWEEPER
 February 24, 2011

***The staff recommendation is to purchase the Self-Propelled Broom from Grand Equipment for **\$41,961.00** which wasn't the low bidder. The Broce Broom from AIS Construction which was low bidder did not meet all of our specification (smaller water tank and no rear suspension). We are very happy with the Superior Broom we purchased last year from Grand Equipment, and feel having two of the same brooms will save us money on not having to stock parts and filters for two different brooms

***The Capital Equipment Budget for the Broom was \$40,000.00
