Roscommon County Road Commission 2023, HMA Base Crushing

The Roscommon County Road Commission is requesting quotes for HMA Base Crushing with breakdown compaction with an approved roller, by the square yard. The RCRC will provide flag control when required. Quantities may vary. A "Certification of Insurance" is required to be on file prior to starting work within the right-of-way. A FOB price for HMA Base Crushing with Compaction is also being requested.

HMA Base Crushing with Compaction

Crush existing HMA 2" into the existing aggregate base. Ensure 95 percent of the crushed material has a maximum particle size of 1 1/2", and the remaining 5 percent contains no particles larger than 4". The RCRC will provide flag control and required support equipment (grader).

The approximate width of the existing HMA is 24 feet. The approximate depth of the existing HMA is 3 1/2 to 4 inches.

Approximate start date will be award to mid-August.
